MOTABILITY PROGRAMME

A PEUGEOT MODEL FOR YOU

Irrespective of your motoring needs, we're confident there is a PEUGEOT model for you - Small, Medium or Large; Hatchback, Estate or SUV; Petrol, Diesel, Hybrid or Electric; Manual or Automatic.

Whatever your preference, the PEUGEOT range offers a wide choice of stylish, highly specified and economical models to choose from, with your choice of Metallic Paint available totally free of charge with an additional charge for Special or Pearlescent paint options.

As one of the four founding members of the Motability Scheme, PEUGEOT has a long tradition of supplying vehicles to drivers and their families – helping to make their lives just that little bit easier.

The Motability Contract Hire Scheme allows you to drive a brand new PEUGEOT in exchange for all, or just part, of one of the following Government Allowances:

- Higher Rate Mobility Component of the Disability Living Allowance (HRMC)
- War Pensioners' Mobility Supplement (WPMS)
- Enhanced Rate Mobility Component of the Personal Independence Payment (PIP)
- Armed Forces Independence Payment (AFIP)

Full details of these allowances are detailed here www.dwp.gov.uk
